

Storyboards

Please complete this form for **EACH PAGE** of your Website and **EACH PAGE/SCREEN** of your mobile app. Each should have a minimum of five (5) internal pages/screens for a total of ten (10). Do not worry if you think you will change your mind about your site. This is just a starting point! You will very likely revise as you go along.

Storyboard Form	
Your Name: Emwika Nanong	
Page Title: Index page	File Name:HTML
Description of Copy Text (What the text will accomplish on this page?)	The first page will be limited text but instead just greeting texts that invite the user to interact and click on to the next page
Links on the Page:	The link on this page would be the link to the next page, such as login, my task, create task, and about us pages.
User Interaction (Navigating only or navigating plus opportunity to contribute?)	This page will have a button, tool bars
Graphical Elements/Images (Description plus file name)	The graphic on this page is the neon light on the greeting text. Also, all the buttons will be hovered over
Color Specs:	RBG
Font Specs:	Serif fonts and Sans-serif fonts. Might add or change in the future
After providing the above information, provide a sketch of the page.
